**IT'S YOUR NICKEL.
WATCH IT WORK.**

A project is underway to build a new interchange connecting Interstate 5 to State Route 502.

The Washington State Department of Transportation (WSDOT) is preparing an Environmental Assessment in accordance with the National Environmental Policy Act, the Washington State Environmental Policy Act, and Section 106 of the National Historic Preservation Act for a proposal to build a new interchange on Interstate 5 in the vicinity of State Route 502 in Clark County.

Citizens are invited to attend the October 21 Public Open House & Scoping Meeting to review preliminary concept alternatives, give input on issues and concerns that should be addressed in the Environmental Assessment, and talk with members of the project team.

**Written scoping comments will be taken
from October 7 until November 21, 2003,
and can be sent by mail or e-mail to:**
